

**LIST OF FEED BUSINESS PREMISES CERTIFIED TO OPERATE IN THE FEED MILLING INDUSTRY IN NIGERIA**

The Nigerian Institute of Animal Science (NIAS) established by Act No 26 of 2007 as Amended 2015 is an Agency under the Federal Ministry of Agriculture and Rural Development for the regulation of Animal Science practice and all matters pertaining to Animal husbandry in Nigeria. The Institute in the exercise of its powers in 2018 widely publicised the Regulation for the Feed Milling Industry in Nigeria, 2017 (Federal Government of Nigeria Gazette No.137, Vol.104 of 2017).The Regulation drawn in line with the Federal Government Agricultural Promotion Policy is aimed at ensuring production and distribution of quality animal feed, feed ingredients, feed additives and amino acids from feed mills to farm level, ensure food safety and promote feed trade within and outside the country. The regulation mandated all feed operators to register their feed business premises with the Institute.

The general public is hereby notified especially poultry farmers, dairy farmers or any animal husbandry operative that uses feeds, feed additives or amino acids that the following feed operators who have applied to the Institute for registration under the regulation have been inspected/audited and certified to practice feed milling in Nigeria having complied with the Provision of the Regulation of the feed milling.
