Internship Opportunities at a Leading Commercial Feed Mill – Apply Now!

Position: Feed mill Intern
Location: Ibadan, Kaduna, Asaba, Kano
Duration: 9 months
Application Deadline: 20/11/2024

We are seeking ambitious interns for one of the top commercial feed mills in the region. This is an excellent opportunity for graduate animal scientists who are passionate about the animal feed industries to gain practical, hands-on experience in a dynamic manufacturing environment.

As a Feed mill Intern, you will be exposed to a range of activities within the feed production process, gaining invaluable knowledge and experience across multiple functions. This internship will provide you with practical insights into the operational side of the feed industry and valuable skills that will enhance your future career prospects.

Ideal Candidate Profile:

- ✓ Candidates must be Graduate Animal Scientist
- ✓ A genuine interest in animal feed production and livestock nutrition.
- ✓ Strong attention to detail and analytical skills.
- ✓ Willingness to work in an industrial and fast-paced environment.

Benefits of the Internship:

- ✓ Practical, hands-on experience in the feed manufacturing industry.
- ✓ Exposure to modern production techniques and technologies.
- ✓ Monthly stipend for interns
- ✓ Potential for full-time employment upon successful completion of the internship.

How to Apply:

To apply, please submit your updated resume, a cover letter explaining your interest in the internship stating preferred location, with a copy of your GAS certificate as an attachment to training.internship@nias.gov.ng no later than 20th November 2024

Please ensure that the subject line reads: "Feed mill Internship Application – [Your Full Name and Preferred Location]".

We look forward to receiving your application and helping you start your career in the thriving agricultural industry! Thank you.
